

How To Nominate

Fill out and return the attached nomination form (you may nominate yourself), a one page description of the accomplishments and work done by the nominee for the **past year, or over a lifetime**, and if available supporting materials such as testimonials and/or news clips.

EPA will review all nominations and select the winners based on the information provided. Entries will be judged on the following criteria:

- T ability to address an environmental problem or need
- T long-term effects on the environment
- T collaboration with others
- T accomplishment of stated goals
- T ability of the program/activity to be replicated or widely shared
- T clarity and effectiveness of the presentation
- T promotion of innovative ideas, or techniques

- Nominee must be a resident, business, government, academic or not for profit organization located in New England

- Your nomination must be **postmarked by February 19, 2003**

- 1 EPA strongly encourages the nomination of individuals and organizations who have not previously been recognized through this program
- 1 EPA will review the compliance and enforcement history of all nominees with respect to all federal, state and local environmental laws and regulations

The **annual award** recognizes the work done by and accomplishments of the nominee in 2002.

The **life time achievement award** recognizes a select few each year whose lifetime achievements have substantially improved New England's environment.
